

Drive more Local Clients to your Site with Google Places

I'm sure you have done a Google search this week and noticed something a little different.

Try it!

Look what happens when we typed in 'lawyer san francisco':

Along with regular organic searches that we are all used to seeing, Google is now focusing more on their version of business listings called *Google Places* located at the top of the search.

Make sure you don't get left behind with this new trend! We can claim your *Google Places* listing and optimize it so you can rank close to the top of *Google places* searches.
